To Whom It May Concern:

I have received a letter from your office stating that the supplemental report that I submitted in regard to the election held on 10/04/2008 shows a "deficit" of \$1500. I am aware of the amount that was a personal loan to my campaign expenses. This letter is an official notification that the loan has been forgiven in its entirety.

The letter also states that a supplemental report is not required if "you did not serve in any elected public office during the 2009 calendar year and did not receive any additional contributions or made any expenditures or loan repayments, and your deficit is less than \$2,500.

I have not accepted any contributions for future elections and would like to certain that I am not required to submit any additional reports. Thank you for your assistance with this matter.

Sincerely,

Johnnie M. Brown
